CHEAP JACK SAYS

Just let me explain my business to you. And, to be sure, I could not if I bought like some of you think I do. I can sell Dunfold's davenports, and in fact all the new stuff I handle cheaper than they can for the reason I do not handle any certain pattern. I go and buy the odd prices, so come in and look over what we have, Always something different.

Some people wonder how we can sell cheaper than others.
